2014 - 2019

WORK EXPERIENCE

LEAD SOFTWARE ENGINEER
Asset and Equity Group

September 2020 - March 2021

https://assetandequitygroup.com/

Lead software developer at Asset and Equity, an investment banking company which offers financial services as well as government registration and licensing services. I lead the product team to build better service delivery through software.

Achievements:

- Set up and structured the product team from scratch
- Developed complete user and web platforms for company and business registration and licensing.

Technologies used: React React Native Nodejs/Express MongoDB

SOFTWARE TRAINER
Software Development Academy

January 2021 - Present

https://b2b.sdacademy.pl/

Contract trainer at SDA, a software training academy based in Tallinn Estonia, where I teach basics of Javascript, HTML and CSS, Java as well as core concepts of programming and software development, also training students in programs sponsored by companies like Accenture.

Technologies used: HTML/CSS JavaScript Java

LEAD SOFTWARE DEVELOPER
Mr Taxi

January 2019 - December 2019

https://www.mrtaxinigeria.com/

Led a team of developers to create the Mr Taxi ride-sharing mobile application as a contract job. Implemented all interfaces and core functionalities and deployed the application on android and IOS platforms.

Achievements:

- Created high-quality design screens for across platforms.
- Utilized Google's Firebase realtime database for finding and tracking drivers and trips.
- Designed API for cab-ordering using USSD technology

Technologies used: Ionic Heroku NodeJS Firebase MySQL

SOFTWARE DEVELOPER
Zinospot

March 2016 - February 2018

https://www.zinospot.com/

Worked on various contract products for clients in and out of Nigeria along with a team of developers working under Zinospot based in Tallinn Estonia.

Achievements:

- Designed and developed various small and medium scale applications for clients
- Developed Keggo, one of Zinospot's products, a fuel-delivery solution.

Technologies used: Angular React React-Native NodeJS
